ADVANCED PROTECTION

# FUSION

Advanced Protection Fusion Pack is a unique and complex fusion of the latest molecular technologies, developed to provide ultimate protection for your motor vehicle. The Advanced Protection Fusion Pack provides:

## Exterior

The ultimate Ceramic technology to preserve and protect the variations of modern vehicle paintwork, including Ceramic paints, hard or soft clear coats, maintaining its deep gloss.

## Interior

The ultimate fusion of polymers and resins to ensure the interior of your vehicle – fabric, carpet, leather and vinyl – is maintained in pristine condition for many years.

## Care

The Fusion Pack includes an extensive car care kit of specially developed products to help you care for your vehicle inside and out.

# FUSION

Advanced Protection **FUSION** deep gloss Siloxenite™ paint protection is a unique ceramic technology formulation that penetrates deep into all automotive paints to protect and preserve the gloss and colour.

Fusion Siloxenite™ paint protection will also guard against the harsh Australian environment, while reducing road grime build up in the paint pores.

ADVANCED PROTECTION

## EXTERIOR

Ultimate Deep Gloss Protects Against:

- ⚡ Fruit Bat Excrement
- ⚡ Bird Droppings
- ⚡ Industrial Fallout
- ⚡ Acid Rain
- ⚡ Tree Sap
- ⚡ Berry & Fruit Stains
- ⚡ Colour Fading
- ⚡ Water Marks
- ⚡ Oxidisation

# FUSION

**FUSION** Ultimate Interior Protection for leather, vinyl, carpet and fabric ensures your vehicle interior is protected against deterioration caused by harmful UV Rays, heat & grime. Even though today's leather, vinyl and fabrics are more sophisticated and durable, the effects of sun, heat and grime can cause unprotected surfaces to age and deteriorate, reducing the value of your vehicle.

## INTERIOR

**FUSION** protects against:

- ☞ Alcohol & Red Wine Stains
- ☞ Soft Drink & Soy Sauce
- ☞ Lipstick & Make-Up
- ☞ Ink Stains
- ☞ Shoe Polish
- ☞ Grease & Oil Stains
- ☞ Hair & Suntan Lotion Stains
- ☞ Pets & Perspiration
- ☞ Food
- ☞ Cracking & Splitting
